HER FUTURE DEPENDS ON IT.

LOCATE: Child Care's Special Needs service will:

- Discuss location, cost, or other factors needed to find quality inclusive child care;
- Discuss services or accommodations your child may need while in child care;
- Share information about the Americans with Disabilities Act;
- Refer you to child care providers or programs with special needs experience or refer child care providers who are willing to meet and mutually decide if they can accommodate the child's individual needs.
