### **Kinship Support Group — New Year Gathering**

Start the New Year with connection and support!  
Join us for an open, welcoming space where kinship caregivers can talk, listen, share experiences, get advice, and support one another.

Led by Joanna Abruscato MRPA President an experienced kinship parent, Joanna has been a foster/kinship parent for over four years and brings valuable insight, compassion, and understanding to this supportive space.

Whether you're facing challenges or simply want to connect with other kinship caregivers, you are not alone — and you are welcome here.

You don't have to navigate this journey alone — we're here for you.
