MRPA VIRTUAL KINSHIP SUPPORT GROUP

Hosted by the Maryland Resource Parent Association

Kinship Support Group

Join us for an open and welcoming space where kinship caregivers can talk, listen, share experiences, receive guidance, and support one another.

This group is led by Joanna Abruscato, MRPA President, and an experienced kinship parent. Joanna has been a foster and kinship parent for over four years and brings valuable insight, compassion, and understanding to this supportive space.

Whether you are navigating challenges or simply looking to connect with other kinship caregivers, you are not alone—and you are welcome here.

You don't have to navigate this journey alone – we're here for you.
