

Keeping Your Tweens / Teens

Safe Online

Keeping Your Kids Safe Online is a one-hour training that teaches adults practical actions to prevent child sexual abuse or intervene if abuse is suspected.

WEBINAR DETAILS

In this webinar we focus on online safety tips and tools for parents and caregivers. Participants will learn best practices for managing and monitoring how your kids interact with technology. Sessions include boundary setting and using available tools that are appropriate to the age of the child.

This program is offered to Baltimore County residents at no cost through a grant from the Baltimore County COVID-19 Emergency Response Fund.
