

MRPA Town Hall

Attention Resource Parents:

Do you want to have a **voice** in the services that are provided to children in foster care and their birth and resource families?

The Social Services Administration and the Maryland Resource Parent Association invite you to attend one of the sessions below to share feedback and solution-focused ideas that will help create Maryland's next 5-year Child and Family Services Plan.

Please complete a brief survey here that will be used to help guide conversations:
