## Creating Safe Spaces: Advocacy and Resources for LGBTQ+ Foster Parents

**TUESDAY, MARCH 4, 6:30-8:00PM**

Join us for a supportive discussion designed specifically for LGBTQ+ foster parents. This training will address the unique challenges faced by same-sex couples in the child welfare system, including navigating situations where birth families may not affirm their identity and confronting potential discrimination. Participants will leave with practical strategies and essential resources to build resilience and champion inclusivity on their foster care journey.
